
In this issue you will find a great set of articles on a wide range of topics and an editorial clarifying what is required to make a conceptual contribution at HRMR and highlighting the different types of conceptual contribution appropriate for HRMR, with suggestions and exemplar articles for each.

Send your conceptual/theoretical work to HRMR, and look to HRMR to inform your research and teaching – it’s a great source for critical reviews, new or extended theories, models, frameworks, insights, research needs, and cutting edge thinking on the full range of HR and related topics. Regards, -Howard
